## The perfect solution to any candlelight event

Candlelite candles reduce the risks and mess associated with traditional candles and create a bright and magical atmosphere adding to the success of your event.

Each style of Candlelite candle comes complete with batteries and are ready to go at the press of a button.

Some examples of how Candlelite candles can be used to replace traditional candles

Light up a programme or carols song sheet

No risk of fire or hot wax to children

Candlelight vigils

Suitable for most styles of candelabra

## Candlelite candles will easily last for the duration of your event

Unlike disposable battery operated candles, all Candlelite candles are designed with a replaceable battery compartment which provides great value for money and also reduces unnecessary waste.

Glowstix Australia was the first Australian company to invent the hand-held battery operated candle. Today, we continue to undertake extensive research and development activities to ensure that we are still providing the best quality and affordable candles available on the market with great service to match.

## Candlelite - The original and still the best!

## Delivery

We normally dispatch all orders the same or next day as long as all items are in stock. However, with this candle promotion we are taking orders for Christmas so most orders will not be delivered until November unless the item is currently in stock.

If an item is unavailable we will advise you of an alternative product or you may choose to remove that item from the order. Back orders can be arranged if required.

Delivery time is determined by your location and method of transport you have selected.

All orders are shipped via door to door courier as this is our preferred method for safety and reliability.

Cost of shipping will vary and is calculated by the size and weight of your order and also the location to be delivered to.

You are welcome to arrange your own transport to pick up from our factory but we will not be liable for any damage or shortage once the goods leave our factory.

**IMPORTANT:** Glowstix Australia assumes no legal responsibility for the misuse of our products. Users should exercise common sense and normal caution when using any of our products. When you place your order, you agree to use our products at your own risk. We do not recommend our products for children under 3 years of age. We recommend Adult supervision for children under the age of 8 years. If you do not accept these terms then please do not order our products. We do not exchange or provide refunds for change of mind purchases of unsold stock. Should our goods be faulty, we will happily refund or replace them after such time that the faulty goods have been returned to our office for quality inspection. If the same item is not available we will provide a credit note valid for 6 months. Do not return any goods before contacting our office. Please note that any faulty goods must be reported within 7 days from receiving the goods and returned within 14 days of reporting the fault. Thank you
